August 22, 2008

Last evening at the Duquesne Club, the Pittsburgh Business Times recognized Horizon Information Services, Inc. as the 23rd fastest-growing company in the Pittsburgh area for 2008. Horizon Information Services, Inc. was listed 3rd overall for technology-based companies.

Horizon Information Services greatly appreciates this honor. We would like to thank our customers, manufacture representatives, architects, engineers and consultants who supported us along the way.

We very much look forward to a continuation of growth and success; and towards the further development of business relationships.

Sincerely,

Horizon Information Services, Inc.
